**Subject: Request for Appointment to Facilitate Meeting of Kuki Representatives with Hon'ble President of India**

**Hon'ble Rashtrapati Ji,**

With the highest respect to the august office of the President of India, I, **Shri Luckybhau Jadhav**, National President (Youth), **Akhil Bharatiya Adivasi Vikas Parishad (ABAVP)**, most respectfully seek the gracious indulgence of Your Excellency to kindly grant an appointment to a joint delegation of Kuki representatives at a time convenient to you.

The proposed delegation comprises:

- The Ten (10) elected Members of the Manipur Legislative Assembly from the Hill Areas and Members of the Hill Areas Committee under Article 371C of the Constitution of India;
- Representatives of recognised Kuki Civil Society Organisations; and
- Leaders of Kuki armed groups presently under the Suspension of Operations (SoO) framework with the Government of India.

The purpose of seeking this audience is to enable the said representatives to personally place before Your Excellency a **joint constitutional and humanitarian representation** concerning the prolonged constitutional breakdown in the Hill Areas of Manipur, the failure of statutory and constitutional safeguards meant for Scheduled Tribes, and the grave humanitarian consequences faced by the Kuki people since 3 May 2023.

As a national organisation committed to the protection of the constitutional, territorial, and human rights of Adivasi and Scheduled Tribe communities across India, the Akhil Bharatiya Adivasi Vikas Parishad considers it a solemn duty to facilitate a constitutional audience for affected indigenous communities, particularly where existing institutional mechanisms have demonstrably failed to secure life, dignity, and equality under the Constitution.

I respectfully submit that the delegation seeks no political audience, but a **constitutional hearing**, conducted with utmost restraint and decorum, to apprise Your Excellency of the cumulative legal, institutional, and humanitarian dimensions of the crisis, and to seek guidance and protection within the framework of the Constitution of India.

I, therefore, most humbly pray that Your Excellency may be pleased to grant an appointment to the above-mentioned Kuki representatives, and to kindly direct the President's Secretariat to communicate the date and time deemed appropriate.

With profound respect and highest consideration,

Yours faithfully,
